

Annual Meeting of Shareholders June 13, 2023 Availability of preparatory documents

Paris, France, May 24, 2023 – 19:00 CET– Pixium Vision SA (Euronext Growth Paris - FR0011950641), a bioelectronics company that develops innovative bionic vision systems to enable patients who have lost their sight to live more independent lives, informs its shareholders that its Annual Meeting of the Company will be held on June 13, 2023, at 2.00 pm CET at the headquarter of Pixium Vision, 74 rue du faubourg Saint Antoine in Paris (75012).

The prior notice of the Annual Meeting of Shareholders containing the agenda, the draft resolutions presented by the Board of Directors for agreement by the shareholders was published in the BALO n°55 (Bulletin des Annonces Légales Obligatoires) on May 8, 2023 and the convening notice that was published in the BALO n°62 on May 24, 2023 as well as in the Affiches Parisiennes (legal newspapers).

As of today the information regarding the Combined General Meeting mentioned in article R. 225-83 of the French commercial Code can be found on the Company's website www.pixium-vision.com, under «Investors», « Shareholder's General Meeting».

The documents and information mentioned in articles R.225-81 and R.225-83 of the French commercial Code can be sent to shareholders upon request to the Company.

Shareholders will also be able to consult the documents at the Company's registered office located in Paris (75012), 74, rue du Faubourg Saint Antoine, during 15 days prior to the Combined General Meeting.

About Pixium Vision

Pixium Vision is creating a world of bionic vision for those who have lost their sight, enabling them to regain visual perception and greater autonomy. Pixium Vision's bionic vision systems are associated with a surgical intervention and a rehabilitation period. Prima System sub-retinal miniature photovoltaic wireless implant is in clinical testing for patients who have lost their sight due to outer retinal degeneration, initially for atrophic dry age-related macular degeneration (dry AMD). Pixium Vision collaborates closely with academic and research partners, including some of the most prestigious vision research institutions in the world, such as Institut de la Vision in Paris, Moorfields Eye Hospital in London, Institute of Ocular Microsurgery (IMO) in Barcelona, University hospital in Bonn, and UPMC in Pittsburgh, PA. The company is EN ISO 13485 certified and qualifies as "Entreprise Innovante" by Bpifrance.
